- Comfortable working with spreadsheets, power point and other related programs.
- Ensure tasks undertaken are consistent with safe working practices and adhere to the requirements of the Locus Microwave/Codan OHS&W System.
- Contribute to a collaborative team and work environment to achieve high performance, ongoing learning and improvement.
- Ensure business processes and tasks undertaken are consistent with the company's systems and procedures.
- Must be a US citizen or lawful permanent resident as defined by ITAR regulations.

Education Requirements

- Associate or B.S. (or equivalent experience) in Engineering or Sales with technical background.

LIMITATIONS AND DISCLAIMER

The above job description is meant to describe the general nature and level of work being performed; it is not intended to be construed as an exhaustive list of all responsibilities, duties and skills required for the position.

All job requirements are subject to possible modification to reasonably accommodate individuals with disabilities. Some requirements may exclude individuals who pose a direct threat or significant risk to the health and safety of themselves or other employees.

This job description in no way states or implies that these are the only duties to be performed by the employee occupying this position. Employees will be required to follow any other job-related instructions and to perform other job-related duties requested by their supervisor in compliance with Federal and State Laws.

Requirements are representative of minimum levels of knowledge, skills and/or abilities. To perform this job successfully, the employee must possess the abilities or aptitudes to perform each duty proficiently. Continued employment remains on an "at-will" basis.
